This Week's Kind Words

This week we have kind words from our customers which celebrate some of our colleagues here at Orwell. The first is for the Customer Services team from Claire in Ipswich:

"Can I extend my gratitude to all the team, in particular Zoe who has been exemplary throughout"

And the second is for Martin Meaney in ORS from Hana in Norwich:

"Amazing experience, especially with the window handle as I thought they'd be taking the whole window down but the worker explained that it was rusty and advised if it happened again to spray WD40 on it. The worker was friendly and professional and now everything is working perfectly, 10 out of 5!".
